Every time the website is accessed, logs are created and processed for statistical purposes, whereby the individual user remains anonymous:

- » Referrer (Page from whose link you came to this website)
- » Search terms (for search engines as referrers)
- » IP is evaluated to determine the country of origin and the provider
- » Browser, operating system, installed plug-ins and screen resolution
- » Time spent on the pages

We reserve the right to check this data retrospectively if we become aware of specific indications of illegal use. Wir erheben die Daten, um Ihnen eine komfortable Nutzung der Website zu ermöglichen sowie die Stabilität und Sicherheit der Website zu gewährleisten. The legal basis for this data processing is Art. 6 Para. 1 S. 1 lit. f) GDPR. The legitimate interest follows from the stated purposes. We also use cookies and analysis services. You will find more detailed explanations further down in this data protection instruction.

Collection and processing of personal data for other functions and offers on our website

The Motoren AG Feuer website is designed for purely informational use. There is no registration for a newsletter or a customer area with login. The collection and transfer of personal data takes place exclusively as follows:

Passing on the data

A transfer to third parties, for commercial or non-commercial purposes, does not take place without your express consent.

Sometimes we use external service providers to process your data. These have been carefully selected and commissioned by us, are bound by our instructions and are checked regularly.

Cookies

The Motoren AG Feuer website uses "cookies" (precisely: a web analysis cookie). Cookies are small text files that are stored on your computer and that enable an analysis of the use of the website and which will automatically recognize you on your next visit. You can prevent the installation of cookies by setting your browser accordingly. This may mean that you cannot make full use of all offers.

Liability for own content

The content of this site was made with the highest care. However, we cannot accept any liability for the correctness, completeness and topicality of the content. As a service provider, we are responsible for our own content on these pages in accordance with general law.

Liability for links (content from third-party providers)

A distinction must be made between this own content and cross-references ("links") to content provided by other providers. We have no influence on their content; The respective provider or operator of the pages is always responsible for the content of the linked pages.

Rights of the persons affected

We hereby inform you that, in accordance with Article 15 ff GDPR, you have the right to information about the personal data concerned and to correction or deletion or restriction of processing or a right to object to processing and the right to data portability under the conditions defined there to have. In accordance with Article 77 GDPR, you also have the right to lodge a complaint with a data protection supervisory authority if you are of the opinion that the processing of your personal data violates this regulation. If the processing is based on Article 6 (1) (a) GDPR or Article 9 (2) (a) GDPR (consent), you also have the right to withdraw your consent at any time without affecting the legality of the processing carried out on the basis of the consent up to the point of withdrawal.

Change of our data protection regulations

We reserve the right to occasionally adapt this data protection declaration so that it always complies with current legal requirements or to implement changes to our services in the data protection declaration, e.g. when introducing new services. The current data protection declaration will then apply to your next visit.

Questions

If you have any questions regarding the processing of your personal data, you can contact us at any time. We are available in the event of requests for information, applications or complaints.
